TBM CONSULTING GROUP NAMES TWO NEW MEMBERS TO BOARD OF DIRECTORS

Durham, N.C. – December 15, 2010 – TBM Consulting Group, a leading global operations consultancy for the manufacturing and services sectors, today announced two new members to its Board of Directors: Mark Gottfredson, Partner and a senior leader of the Performance Improvement Practice at Bain & Company; and Ron Wince, President and CEO of Guidon Performance Solutions, Inc., a subsidiary of TBM. Mr. Gottfredson and Mr. Wince will provide an outside and unique perspective to help TBM achieve stronger future growth.

“Mark has extensive experience advising chief executives and top-level managers in a wide range of industries. He is our first outside board member and we will benefit greatly from his strategic perspective and his point of view as an executive in a large, global consultancy,” said Anand Sharma, CEO of TBM Consulting Group, Inc.

Sharma added, “Ron is also a welcome addition to our board. He has been a valuable partner for TBM in the areas of business performance improvement, cultural transformation and strategy deployment, in the service industry. He brings a unique service sector perspective to our board for continued growth.”

Mark Gottfredson is a director of Bain & Company, a global business consultancy, in the firm’s Dallas office, which he founded in 1990. He is coauthor of *The Breakthrough Imperative: How the Best Managers Get outstanding Results* (HarperCollins, 2009), and his articles have appeared in *Harvard Business Review*, *European Business Journal*, the *Globe and Mail* the *Economist*, and the *Dallas Business Journal*. He has been named to Consulting Magazine’s list of top 25 consultants globally and is regularly quoted in publications, including the *Wall Street Journal*, the *New York Times*, *BusinessWeek*, *Fortune*, the *Economist*, *CBS MarketWatch* and *Investor’s Business Daily*. Gottfredson received a BA in Japanese from Brigham Young University and an MBA from Harvard Business School, where he was a Baker Scholar.

Ron Wince has overseen the start-up and growth of Guidon Performance Solutions to a full-service business process excellence and technology consulting firm. As president and chief executive officer, he uses his nearly two decades of experience to help enhance business results and garner customer satisfaction for the company’s growing client roster. Prior to founding Guidon, Ron held senior leadership positions within J.P. Morgan Chase, Freudenberg-NOK, and Lear Corporation. He regularly appears in *Fortune*, *Forbes*, *Patient Safety and Quality*, and *Healthcare Executive*. He has also served as an expert commentator on the FOX Business Network. A graduate of the U.S. Naval Academy, Ron holds a degree in engineering and is a veteran of Operation Desert Storm.
