DAY 2:

Runs from 8:00 am to 4:00 pm and includes a lite breakfast and lunch.

Kick Your Lean Management System into High Gear. And Get the Business Results You Demand.

If your investment in continuous improvement isn't generating significant and sustainable growth for your business, then it's time to put your management system through its paces. At our two-day intensive Management System Bootcamp, presented by the creators of the proven TBM Management System, you'll learn why your management system isn't working the way you need it to. And you'll discover how to get it into its best shape ever to quickly deliver the impact your business needs.

Who Should Attend?

- COOs
- Vice Presidents of Manufacturing, Operations, Supply Chain, or Lean/Continuous Improvement
- Directors of Operations and Site Leaders are welcome to attend with members of the executive team
- Private Equity owners, operating partners, and executives from PE-backed portfolio companies

What You'll Learn?

- The fundamentals of an effective lean management system
- Root causes of management system failures and shortcomings and how to avoid them
- The strengths and weaknesses of your existing system
- Proven techniques for adopting the right management practices and driving behavioral change
- Teaching and coaching strategies to get your entire team on board

An experienced business leader with previous roles in plant management, planning and lean operations. He currently serves as Vice President, introducing new clients to TBM, cultivating long-term growth with current clients and on-boarding new clients.

How You'll Win?

When your lean management system is in shape and operating the way it should, your organization can:

- Establish strategic objectives at every level
- Deploy goals and action plans for executing strategy
- Align KPIs with daily work
- Measure performance and create a problem-solving culture to stay on track
- Develop leaders capable of leveraging the full abilities of every member of the team

Ultimately, your management system can and should accelerate the achievement of strategic goals and help you sustain the financial gains you make. Management System Bootcamp helps make that happen fast.
